Dear Patty,

Please accept our heartfelt appreciation for your \$5,080.00 gift to the Nassif Community Cancer Center. We are grateful for your generosity, trust and support of the Cancer Center. Your gift helps us provide a full spectrum of services not covered by insurance, to **patients right here in our community**. And like a community, we all come together to help patients, survivors and their families in the fight against cancer, **with 100% of your gift staying local**.

I'd like to share a story with you. It comes from Peggy, a patient with the Cancer Center:

*I was diagnosed with breast cancer in 2014. My doctors got the cancer, but the chemotherapy damaged nerve cells, leaving me with peripheral neuropathy. My feet were killing me—it was a constant numbing, tingly feeling and it was consuming me. Medication didn't help. Then I learned about the Cancer Center's medical acupuncture program. (My insurance wouldn't cover it, but thankfully the Cancer Center offers it as part of their holistic treatment plan.) Now I'm able to do the things I enjoy, like daily walks with my dogs!*

Your gift to the Cancer Center makes success stories like Peggy's possible. On behalf of everyone at St. Luke's, thank you for helping the Cancer Center in its mission of providing exceptional, patient-centered cancer care.

Sincerely,

Danielle Rauser
